DR. REYSER IS PREPARED AT ANY TIME TO EXAMINE LUNGS WITHOUT CHARGE, FOR ALL THOSE WHO NEED HIS MEDICINES. ATTEND TO YOUR COLDS -A case of five years anding oured by DR. KEYSER'S PROTORAL SYRUP.

DR. KRYSER:—My wife has been afficied with a bad cough and difficulty of breathing, for five or six years, which, for sworal years back, had gradually increased in violence. The complaint has been hereditary, and she had been treated by several physicians without any relief. In this state of her case, I procured some of your Pectoral Cough Syrop. I bought, the first time, a fifty cent bettle, which relieved her very much; I then called and got a dollar bottle, which cured her entirely, and she has now no trace of the former disease, except weakness. I would also state that I used the medicine myself to a cold and cough. The medicine cured ms by taking one dose I express my entire antisfaction with the medicine, and you are at liberty to publish this if you destre to do so.

Alderman Fifth Ward.

Privaturan, Nov. 18, 1858.

Da. Kryzzz :—Although not an advocate of Patent Medicines, in general, it affords me pleasure indescribs ble to recommend your Fectoral Syrap. As a medicine it is well worthy the attention of any person who may in any manner be afflicted with courghs, colds and hearseness of any hind, and for the peculiar qualifications for removing all that disagreeable sensation attending a second-

rere cold.

I have been, more or less, in my life, affected with the severest of colds and hourseness. At times my throat rould become so closed as to prevent my speaking above whisper, and by taking a few doses of the above Syrup twould relieve me entirely. it would relieve me entirely.

In recommending this medicine, I must unhesitatingly say that it is the best remedy I ever found, purporting to cure the above, nor should any family be without this remedy for diseases so prevalent.

Yours, most respectfully,

EDWARD J. JONES,

Cashier Oltisens' Deposit Bank.

COL. PRATT AND DR KEYERR'S PECTORAL SYRUP.—Dr. Kerner-Dear Sir: Excure the delay of my acknowledging the excellence of your Pectoral Cough Syrup sooner. I take great pleasure in saying that it is all you say it is. Rincoked the soles octs of ear cough and the worst one I was ever afflicted with: I have not used more than one-half of the bottle, and I can and do wish that all who are afflicted would give it as fair a trial as I have done, and they will be proud to say, "It is no quack medicine." I would not suffer sandlers unch an attack for any consideration, or at any cost. I am condicant I can breathe more freely than I ever did. I shall always acknowledge a debt of graftinde for invaning so excellent a remedy. You are at liberty to use my name in this regard, as you think proper E. F. PRATT.

READ THE TRUTH.—DR. Erracu I have a daughter who has taken several medicines for a bad cough without benefit—among them Aper's Cherry Festoral.—I purchased from you a bottle of your PECTOSAL STRUP, and before she had used half a bottle she was relieved. The second bottle cured her entirely of her cough.

A GREAT CURE BY DR. At that time I was advised to try your PECTORAL COUGH
SYRUP, which I did, and after I had taken one bottle I
was entirely free from the coughing and spitting. I had
despaired of ever getting well, and I think it should be
known that this valuable remedy will do for others what
it has done in my case.

PATTOR Tr., April 14, 1837.

A WONDERFUL OURE.—Same time ago, an old neighbor of mine was very ill with a bad cough which every one supposed to be consumption. His relatives told me that he had taken every remedy they heard of without benefit; his brother came to see him die, and all without benefit; his brother came to see him die, and all without benefit; his brother came to see him die, and all were confirmed in the belief that he could not live. I had about the third of a bottle of your Pectorni Syrup, which I gave him, and it entirely cured him, to the astonishment of all. What makes the case more remarkable, is the extreme age of the man, he being about eighty your old. I have no doubt the Fectoral saved his life.

JOHMN' GINNIS.

DR. KEYBER'S PECTORAL SYRUP IN ELAIRO-VILLE.—Please send me another supply of your valu-able "Fectoral Syrup." Esher, both of Blarrylle, Pa. icil us they would not be without it in their families. In fact, all who use it core want it again. Yours, respectfully, J. S. WATTERSON & SONS.

ANOTHER NEW CERTIFICATE-DR. REYSER'S

"STOP THAT GOUGHING."—How can I do it? "Go to Keyser's on Wood street and get a bottle of his Comph Peotoral, and if that don't care you, your case must be desperate indeed." This is a specimen of the colloquy one hears almost every day in cold catching periods of the year. And we can, from setual experiment, cheerfully concur in the advisor's admonition as above, for we have tried the "Pectoral." In a most stubborn case, with satisfaceas. Near two weeks ago we went to Pittsburgh, with one of the most distressing, contrary, mulish, unsubdusble coughs we seer experienced since our advent upon this mundane sphere. We coughed steadily and laboriously for one whole week, in hopes of tiring if out, but it was no go. In fact it seemed rather to hisre improved by practice, and to have acquired strength, potenty and distressed dity by the operation. In this stage of the siege, we com the our way to Keyser's, 140 Wood St.—procured a fifty cent bottle of the "Pectoral," took it according to directions, and in forty-sight hours we were master of the field, the enemy having unconditionally surrendered, after a brief but unequal conflict with ac formidable an adversary as Keyser's famous "Cough Pectoral." —Drocuseville Chipper, Dec. 14, 1959.

DEAR MADAM:—The reputation of the Medical Discovery, in curing all kinds of humors is so well established by the unanimous voice of all who have ever used it, that I need not say anything on the subject, as the most skillful physicians and the most careful Druggists in the country are unanimous in its praise.

In presenting the Medical Discovery to your notice, I do it with a full knowledge of its curative power, in retieving all, and curing most or those diseases to which you are unfortunately so liable. That most excruciating disease to an affectionate mother, CHARLES' LONDON CORDIAL BIN.
